Re Revision of octroi duty on sugar, jaggery and Kerosine oil and other oils imported into the limits of Chiknaikanahalli Town Municipality

---

Sir,

In forwarding herewith in original the records received from the President, Town Municipal Council, Chiknaikanahalli on the above subject, I have the honor to state as follows -

The President states that the present levy of octroi on sugar, jaggery, kerosine and other oils imported into the limits of Chiknaikanahalli Town Municipality are in accordance with the marginally* noted Government Orders

During the inspection of this Town Municipal office by Mr N Madhava Rao, the then Deputy Commissioner in the year 43-44 instructions were issued to revise the levy of octroi duty on these commodities at the maximum rates prescribed under schedule II of the Town Municipalities Act of 1933, in order to further improve the income under octroi

The suggestion was accordingly taken by the Council for consideration and it was resolved at their meeting held on 30-10-1944 that the present levy of octroi be enhanced as follows -

Sugar 0-4-0 per maund of 960 tolas.
Jaggery 0-2-0 -do-
Kerosine oil 0-2-0 per tin
Other oils 0-2-0 "

As no objections have been received from the public to the proposed enhanced rates of octroi on these commodities and as they are within the levy permissible under the Act, I request that sanction of Government may be kindly obtained to the resolution of the council to the enhanced rates of levy of octroi on
